This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

EDA KUHN LOEB MUSIC LIBRARY

Digitized by Google

Seit Erscheinung des I. Bandes der „Musica Divina“, welcher Zwölf vierstimmige Vocalmessen enthält, ist von Freunden älterer Kirchenmusik und Förderern jenes Unternehmens das Bedürfniss einer grösseren Auswahl derartiger Messen mehrseitig angeregt und der Wunsch kund gegeben worden, noch vor Beendigung des Jahrganges der „Musica Divina“ eine neue Folge von Messen erscheinen zu lassen. Diess geschieht nun in der Weise: dass unabhängig von dem Plane obigen Werkes ein Cyklus von Messen gedruckt wird, deren erste Abtheilung vorliegend zur Oeffentlichkeit gelangt. Eine jede Abtheilung enthält Vier Messen; zwei Abtheilungen bilden einen Band; in drei Bänden, welche Vier und Zwanzig der auserlesensten Tonwerke für vier-, fünf-, sechs- und achtstimmigen Gesang enthalten, kömmt das Ganze zum Abschluss.

Nachstehende Vier Messen bilden den Inhalt der gegenwärtigen Abtheilung.

Digitized by Google

I.

MISSA. „Veni Sponsa Christi.“

Quatuor Vocum.

Von Palestrina.

Unter den vierstimmigen Messen Palestrina's nimmt diese einen der höchsten Plätze ein. Sie gehört unter die nachgelassenen Werke des Meisters und erschien im IX. Buche seiner Messen, das den Titel führt:

Joannis Petraloysii Praenestini Missarum cum quatuor, quinque ac sex vocibus Liber Nonus nunc primum in lucem editus. Venetiis apud haeredem Hieronymi Scoti. 1599. 4.

Die im Original befindlichen Schlüssel sind: 
Aus dieser ältesten Edition habe ich die Messe in Partitur gebracht. Eine spätere Ausgabe desselben Verlags vom Jahre 1608 stimmt mit derselben genau überein.

II.

MISSA.

Quatuor Vocum.

Von Felice Anerio.

Diese Messe wurde niemals gedruckt. In den handschriftlichen Quellen trägt sie den Beinamen: Hor le tue forze adopra. Bei Anfertigung der Partitur legte ich nachstehende Urschriften zu Grunde:

I. den in der Vaticana befindlichen Cod. MS. Nro. 2926 in F. der ehemaligen Bibliotheca Altaemps. — Othoboniana;

II. das in der Bibliothek des Collegium Romanum vorhandene MS., welches einen Theil der in 12 Quartbänden enthaltenen umfangreichen Sammlung unter dem Titel: „*Varia Musica sacra ex Bibliotheca Altempsiana, jussu D. Joa. Angeli Ducis ab Altaemps collecta*“ bildet;

III. eine gleichzeitige, meiner eigenen Bibliothek angehörige Urschrift.

Die drei Manuscripte sind nicht allein die ältesten, authentischen Quellen dieser höchst werthvollen Composition, sondern zugleich — was als Seltenheit hervorzuheben — das Werk eines Scriptor's und dem Inhalte nach von vollkommenster Correctheit und Uebereinstimmung.

Digitized by Google

III.

MISSA.

Quinque Vocum.

Von **Orlandus de Lassus.**

Nach dem Thema, über welches sie gearbeitet, trägt diese Messe den Beinamen: Qual donna attende a gloriosa fama. Ihres reinkirchlichen Ausdruckes und Styl's wegen verdient diese Composition eine der ausgezeichnetsten Stellen unter den zahlreichen Messen des Autors.

Die Original-Edition, aus welcher ich das Werk in Partitur gebracht, führt den Titel:

Missae aliquot Quinque Vocum Orlandi de Lasso, Sereniss. Duc. Bavar. Chori Magistri. Monachii excudebat Adamus Berg. 1589. F.

Die Ausführung verstattet eine erhöhte Tonlage bis zur grossen Terz.

IV.

MISSA. „Assumpta est Maria."

Sex Vocum.

Von **Palestrina.**

Nächst der Missa Papae Marcelli*) die gefeiertste von allen Messen Palestrina's. Der Genius des unerreichten Meisters schwebt hier im reinsten Aether; es liegt eine Hoheit, Anmuth und Begeisterung in dieser Messe, dass man sich unwillkürlich zu einer Vergleichung mit Rafael's Sixtinischer Madonna, ihrem würdigsten idealen Gegenbilde hingerissen fühlt.

---

*) Eine authentische Edition dieses Werkes besorgte ich unter nachstehendem Titel:

Missa Papae Marcelli triplici concentu distincta videlicet:

I. Joannis Petri Aloysii Praenestini Missa Papae Marcelli genuina Sex Vocum.

II. Missa eadem ad Quatuor Voces reducta Auctore Joanne Francisco Anerio.

III. Eademque Missa duplici choro Octo Vocibus concinenda Auctore Francisco Suriano.

Triplicem hanc Missam juxta editiones principes fidelissime in partitionem redegit eamque prima hac unione excusam publicavit C. P. Maguntiae, Londini et Bruxell. ap. B. Schott fil. MDCCCL. 8 maj.

Digitized by Google

Dieses unübertreffliche, durch hohe Lobpreisung Papst Sixtus des Fünften, dem es gewidmet war, verherrlichte Werk ist wohl in keiner ächteren Gestalt auf die Nachwelt gekommen, als in der für die Altempsische Capelle bestimmten, getreuen Copie der Autographie Palestrina's, in deren Besitz der Herzog war. Dieser Quelle verdanke ich die Uebertragung vorliegender Partitur, welche ich im Jahre 1835 in der Vaticanischen Bibliothek mit grösster Sorgfalt vollführte. In dem betreffenden Folianten (Cod. MS. Nr. 2927 der vormaligen Bibliotheca Altaemps. — Othoboniana) findet sich die Inschrift: Liber fidelissime transcriptus a propriis Originalibus. Anno D. 1607. Romae apud Altaemps.

Besonderer Bemerkung würdig sind die beiden Quartette des „Christe eleison", deren ersteres für tiefe Stimmen zu Anfang der Messe, das letztere für hohe Stimmen am Schlusse derselben eingetragen ist. Beide Gesänge sind ein Inbegriff der sublimsten Harmonie.

Die im Original befindlichen Tonschlüssel sind:

Gleichwie bei der „Musica Divina" wird neben der Partitur eine Stimmen-Ausgabe sämmtlicher Messen der vorliegenden Sammlung veranstaltet.
